GOING FOR GOLD

There seems to be no stopping Trevyn and Julian McGowan, the dynamic duo behind Cape Town's Southern Guild – and now they have their sights firmly set on Jo'burg. 'We realised that the city was a very exciting and very different place to Cape Town,' says Trevyn. The pair have four projects in the city: the Work Shop New Town development, its outdoor offering Picnic New Town, a Southern Guild gallery opening soon in Rosebank and a retail space for their Odeon brand in the new Mall of Africa. source-sa.com
